

YOU TAKE CARE OF BUSINESS. WE'LL TAKE CARE OF YOU.

Cambria® Hotels knows the importance of in-person meetings and the need to keep attendees safe. Choice Hotels has put in place enhanced cleaning protocols and our contained meeting spaces mean no large crowded convention centers with multiple groups at the same time. Plus, you still enjoy the same great service and thoughtful little touches that Cambria delivers that makes business travel better.

Feel secure knowing your safety is our top priority:

- Cambria® Contactless Concierge Service – allows you to use text messaging for all your meeting requests to limit interactions with hotel staff but still get all your needs met promptly.
- Additional training provided for hotel staff from EcoLab on enhanced cleaning procedures.
- Recommended social distancing guidelines at check-in and the front desk area.
- Meeting space designed to keep your group secluded from other guests.
- Flexible and innovative set-up options to allow for 1 per 6-foot space requirements between attendees.
- Additional cleaning in meeting rooms to ensure surfaces are wiped down multiple times per day.
- Locally sourced non-buffet food options like continental breakfast on the go and packaged lunch boxes.
- Clutter-free environment limiting non-essential items in meeting rooms and public spaces.
- Convenient on-site self-serve marketplace for attendees to grab snacks and drinks.
